EXPERIENCE

Western University of Health Sciences
Social Media Intern

August 2017 - present

- Help engage with faculty, administration, students, and alumni through social media posts and work with Student Affairs on other social media projects.

Information Sciences Institute (USC)
Summer Undergraduate Research Experience (SURE)

June 2017 - August 2017

- Implemented data-sharing and basic UI designs for AuntieTuna, a chrome plug-in that detects possible phishing sites through personalized good lists.

Pomona College Questbridge Chapter
Social Media Associate

September 2017 - May 2017

- Helped launch events/workshops for 12-50 students such as collaborations with the Career Development Office and Quantitative Skills Research Center and updated social media accounts.

OTHER EXPERIENCES

Google igniteCS
Student Leader

March 2017 - present

IgniteCS provides funding and resources for groups of college and university students to make a difference in their local communities through CS mentorship

Codesmith Summer Academy of Code
Student

August 2017

A week long residency program where students are immersed in code through a combination of pair-programming, project-based assessments, and mentorship by industry leaders.

Pomona College Residential Housing Staff
Sponsor

August 2016 - May 2017

Mentored a group of 12 first year students with a co-sponsor and planned events to foster an inclusive community

Quantitative Skills Center
Mentor

Februray 2017 - May 2017

Mentored intro-level CS courses to currently enrolled students on a one-on-one basis.

Tapia Conference
Participant

September 2016

Tapia is a conference meant to bring together undergraduate and graduate students, faculty, researchers and professionals in computing from all backgrounds and ethnicities.
