## EDUCATION

---

Pomona College  
Bachelor of Arts in Computer Science  
GPA: 3.4

*Expected May 2019*

## RELEVANT EXPERIENCE

---

Western University of Health Sciences  
*Social Media Intern*

August 2017 - present

- Help engage with faculty, administration, students, and alumni through social media posts and work with Student Affairs on other social media projects.

Information Sciences Institute (USC)  
*Summer Undergraduate Research Experience (SURE)*

June 2017 - August 2017

- Implemented data-sharing and basic UI designs for AuntieTuna, a chrome plug-in that detects possible phishing sites through personalized good lists.

Pomona College Questbridge Chapter  
*Social Media Associate*

September 2016 - May 2017

- Helped launch events/workshops for 12-50 students such as collaborations with the Career Development Office and Quantitative Skills Research Center and updated social media accounts.

## CAMPUS ENGAGEMENT AND LEADERSHIP

---

Google igniteCS  
*Student Leader*

March 2017 - present

IgniteCS provides funding and resources for groups of college and university students to make a difference in their local communities through CS mentorship

Pomona College Residential Housing Staff  
*Sponsor*

August 2016 - May 2017

Mentored a group of 12 first year students with a co-sponsor and planned events to foster an inclusive community

Quantitative Skills Center  
*Mentor*

February 2017 - May 2017

Mentored intro-level CS courses to currently enrolled students on a one-on-one basis.

## ENRICHMENT PROGRAMS

---

Codesmith Summer Academy of Code  
*Resident*

August 2017

Selective week long residency program where students are immersed in code through a combination of pair-programming, project-based assessments, and mentorship by industry leaders.

## CONFERENCES

---

Tapia Conference  
*Presenter*

September 2017

Along with two other students, I presented about Pomona College's Learning Community for Underrepresented Students in Computer Science.

## SKILLS

---
